

Spike Bracelet Controls

Customizer

First Spike

Height

5.5

Second Spike

Height

5.5

Third Spike

Height

5.5

Fourth Spike

Height

5.5

Make Spike(n) Top and Spike(n) Bottom continuous.  
Slider value of .5 is flat. 0 and 1 put spikes at maximum height in either direction.

**\*\*Opening on the bracelet also needs to be made bigger. Talk to me when you get to this one\*\***

Default slider values on base model to:

.7  
.3  
.85  
.25
